While they were being sued, proud members of Hoy died by mistake. And while awaiting the resurrection of their friends, the troops hung out in the tavern where the strange women accosted them. She offered a quest when they were going to vote to dissolve the group, they accepted the final mission, but of course nothing went according to plan. Otherwise, i'm not going to To get to this section where one of the slam characters that produces the whole story, you only need to tap 200 pages from 430 pages. Suffice it to say that the first part of the book is just a fill more or less interesting and compassionate. For the most interesting. Sandar is looking for a better way to master these spells and who will result in the story to come. Humor is once again everywhere. It's still punctual and that's what allowed me to hold a ramp on this 200 pages that I saw no particular interest when it came to repeating what had been said in previous quantities. On several occasions, the author will go so far to make undisguised references to Asterix or go back to the future, all for fun. For the rest, it goes in circles. Nothing new unless we enjoy seeing this band of broken arms through. Bd, meanwhile, believes he did his job well. On the text side, it's almost copied and pasted with sound, the only difference for my taste of coarse language tends to mark me more in writing than oral, yet, kifkif. In short, for those who do not know and who want to discover the wonderful medieval universe of JdR Dungeons - Dragons, it is a wonderful gateway, do not hesitate, the adventure is worth reading! Tome 6 6.
